Work Order Quote

To:	State of Wyoming
Today's Date:	February 7, 2005
***WO #:**	**WYDOR005**
Budget:	Customization
Scope:	**Create Oil and Gas Profile including new fields**
Estimated Release	**December 2005**
Estimate of Hours:	30 hours
Specifications:	

System Changes

1. A new Oil and Gas profile report will be created for Wyoming. This will include important account level information as well as detail information for the account. Account detail data will include new detail information such as asset number, make, and model.
2. Detail information will be added in a stream line way so that each detail only takes up one line on the report.
3. Detail information will be present for the Equipment data as well as the well information for the account.

Please sign below to confirm your agreement of the above.
