Survey Name: Western Economic Services Data Request

Survey Description: Western Economic Services is once again requesting data for statistical purposes. Typically they request this data once a year for the housing inventory they compile for WCDA. They will look at information such as the jurisdiction, sales date, the adjusted sales price, the year built and land size for all active accounts with a certain OCC Code and BLTASID. Traditionally they have requested sales information for any sales of Single Family Residence, Townhomes or Condos, Duplex, Mobile Homes on Foundations and Modular's on Foundation, within the past year. The contact person for Western Economic Services is Tim Gottgetreu, Senior Economist, 503-239-9091. This survey is scheduled to close on Thursday, July 28, 2011.
