To: State of Wyoming
Today's Date: August 9, 2004
***WO #:** WYOA044
Contract Reference #: Attachment G
Budget: Customization
Scope: Add Tax Roll Corrections to State Assessed
Estimate of Hours: 125 hours
Specifications:

System Changes

1. Add the ability to enter a Tax Roll Correction to State Assessed accounts. It should work similar to Personal Property, Real Property and Oil and Gas. This will include a TRC report for an individual account that can be submitted to the Treasurer.
2. The program will accept data changes for past years from an electronic file. Security will govern whether user is allowed to make changes to state assessed values.
3. Data received from the state for a tax roll correction will be in the same format as the data originally received with the certified state assessed values
4. Enhance state assessed system so that the user may generate a summary report of all state assessed value changes for a specified date range. This report may then be submitted to the treasurer.
