1. In printing the "property profile" for long legals, I'd like to see the entire legal description included. In short, the area for the legal need to be larger.

Yea
20 (100%)

Nea
0 (0%)

Abstain
0 (0%)

Total: 20

2. In the abstract report, ability to run local assessments only. Perhaps an abstract range like some of the other reports offer.

Yea
17 (85%)

Nea
1 (5%)

Abstain
2 (10%)

Total: 20

3. Add the Tax ID (Tax District) to search/update criteria in all batch capabilities.

Yea
19 (95%)

Nea
1 (5%)

Abstain
0 (0%)

Total: 20

4. The notes from a Building Permit are not displayed in FieldWare. FieldWare user should have the ability to see and add notes.

Yea
16 (80%)

Nea
1 (5%)

Abstain
3 (15%)

Total: 20

5. Would like to see the gross acres/gross square foot field in the new parcel list so it can be updated before a subdivision is created. Currently a user has to create then go into each new record and update that field. It would be much easier to have it in before creation of the subdivision.

Yea

16 (80%)

Nea

0 (0%)

Abstain

4 (20%)

Total: 20

6. In the State Assessed Module, search capabilities should be enhanced to include Group Account Number.

Yea

17 (85%)

Nea

1 (5%)

Abstain

2 (10%)

Total: 20

7. In the State Assessed Module, search capabilities should be enhanced to include Abstract Number.

Yea

17 (85%)

Nea

1 (5%)

Abstain

2 (10%)

Total: 20

8. In the State Assessed Module, search capabilities should be enhanced to include Company Number.

Yea

15 (75%)

Nea

1 (5%)

Abstain

4 (20%)

Total: 20

9. In the State Assessed Module, search capabilities should be enhanced to include Group Number.

Yea

16 (80%)

Nea
0 (0%)

Abstain
4 (20%)

Total: 20

10. In the State Assessed Module, reports need to have the following automatically printed on the form: Ownership, Account Number, Tax District, Local Number, Acct Type, Group No, Assessed Values.

Yea
20 (100%)

Nea
0 (0%)

Abstain
0 (0%)

Total: 20

11. In the State Assessed Module, create a new report that shows total by account type.

Yea
18 (90%)

Nea
0 (0%)

Abstain
2 (10%)

Total: 20

12. In the State Assessed Module, create a new report that shows total by abstract code.

Yea
20 (100%)

Nea
0 (0%)

Abstain
0 (0%)

Total: 20

13. In the State Assessed Module, create a new report that shows records by ownership.

Yea
18 (90%)

Nea
0 (0%)

Abstain
2 (10%)

Total: 20

14. In the State Assessed Module, create a new report that shows data by tax district.

Yea
20 (100%)

Nea
0 (0%)

Abstain
0 (0%)

Total: 20

15. In the State Assessed Module, create a new report that shows data by company number.

Yea
12 (60%)

Nea
3 (15%)

Abstain
5 (25%)

Total: 20

16. In the Oil & Gas/Personal Property modules, Realware currently scrambles the entries, needs to be capable of securing the position of the equipment entered in the record on any account whether Oil and Gas or Personal Property. Possible option to sort alpha etc.

Yea
18 (90%)

Nea
0 (0%)

Abstain
2 (10%)

Total: 20

17. In the Oil & Gas/Personal Property modules, RealWare to be capable of an additional column to associate particular wells with the pad they are being drilled from (association column).

Yea
9 (45%)

Nea
1 (5%)

Abstain
10 (50%)

Total: 20

In printing the "property profile" for long legals, I'd like to see the entire legal description included. In short, the area for the legal need to be larger.:

Yea

In the abstract report, ability to run local assessments only. Perhaps an abstract range like some of the other reports offer.:

Yea

Add the Tax ID (Tax District) to search/update criteria in all batch capabilities.:

Yea

The notes from a Building Permit are not displayed in FieldWare. FieldWare user should have the ability to see and add notes.:

Yea

Would like to see the gross acres/gross square foot field in the new parcel list so it can be updated before a subdivision is created. Currently a user has to create then go into

Abstain

In the State Assessed Module, search capabilities should be enhanced to include Group Account Number.:

Yea

In the State Assessed Module, search capabilities should be enhanced to include Abstract Number.:

Yea

In the State Assessed Module, search capabilities should be enhanced to include Company Number.:

Yea

In the State Assessed Module, search capabilities should be enhanced to include Group Number.:

Yea

In the State Assessed Module, reports need to have the following automatically printed on the form: Ownership, Account Number, Tax District, Local Number, Acct Type, Gro

Yea

In the State Assessed Module, create a new report that shows total by account type.:

Yea

In the State Assessed Module, create a new report that shows total by abstract code.:

Yea

In the State Assessed Module, create a new report that shows records by ownership.:
